

PRESSING TOWARD THE GOAL – AUGUST 2008

"Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus."
Philippians 3:13-14

WELCOME COLLEGE STUDENTS!!!

Welcome to the University Heights Church of Christ. It is our desire to help you continue to grow and develop spiritually as you pursue your educational goals. As you are away from home for an extended period of time, perhaps for the first time, there are many influences that you will face. You will likely face situations you have never experienced. To that end, we want to encourage you to be careful in choosing your friends, as they will have a significant influence on you. In 1 Corinthians 15:33, the apostle Paul reminds us, "*Do not be deceived: 'Evil company corrupts good habits.'*" We would encourage you to get to know other Christians, and spend time with them. As you plan your schedules and daily activities, it is vital that you remember to keep God first in your lives. In Ecclesiastes 12:1, Solomon says, "*Remember now your Creator in the days of your youth, before the difficult days come, and the years draw near when you say, 'I have no pleasure in them.'*" And in Ecc. 12:13-14, Solomon again instructs us, "*Let us hear the conclusion of the whole matter: fear God and keep His commandments, for this is the whole duty of man. For God will bring every work into judgment, including every secret thing, whether it is good or whether it is evil.*" We would encourage you to place membership with us as you continue to grow spiritually.

We are within easy walking distance of the University of Kentucky.

The following events are planned for our collective spiritual growth:

WORSHIP:

We meet Sunday's at 10:45 AM and 6:00 PM to worship God in singing, prayer, partaking of the Lord's supper and in preaching. In addition, we have a brief worship period following classes on Wednesday nights. You are encouraged to attend all of these worship services.

BIBLE CLASSES:

There is a class with study planned for the college aged student. You are encouraged to attend and actively participate in these classes. They are taught by men who are experienced students and teachers of God's word. The classes are structured to coincide with the University calendar. Although these men will strive to make applications of the study materials, you will only be able to get as much out of the class as you are willing to put into it. The classes meet Sunday mornings at 9:45 AM and Wednesday nights at 7:30 PM. Study materials are usually made available, and you are encouraged to prepare for the class in advance to facilitate a more meaningful class discussion.

SINGING:

In addition to our regular services, we have a singing at 7:30 PM, the first Friday of each month. This time is used to praise God in song, but also to teach and encourage one another. We should recognize the importance of singing from the heart in our spiritual growth. Let us sing with joy in our hearts and enthusiasm in our voices as we praise God with singing.

GOSPEL MEETING with Frank Walton

November 2-7, 2008. Brother Walton is a dedicated student of the Bible, and will deliver simple yet powerful lessons from the Bible.

In addition to these excellent opportunities, other special studies are conducted upon request. If there is a particular Bible subject you would like to study, let one of the members know, and special arrangements will be made to schedule the study.

You are encouraged to take advantage of all of these opportunities!!!
